### Happy New Year!

2019 has arrived! The Centre FORA team offers you these few balloons filled with warm wishes.

**First, the team hopes that the upcoming year will bring you something new and wonderfully surprising to discover!**

**May each day bring you the opportunity to smile or even, to laugh out loud!**

**And may you find the wonder in daily moments. Remember: all of these moments are precious, even the most difficult ones, as they may serve as important lessons.**

Finally, may 2019 give you the opportunity (and the courage!) to continue changing lives through the important work that you do! Happy and healthy New Year to all!

### Grand Winners of Participation Draws

Centre FORA is happy to announce that **Danielle Grondin** of the *Centre Moi, j'apprends* in Hawkesbury will receive a beautiful collection of Centre FORA publications while **Rycke Myalou** of the *Centre de formation des adultes La Clé*, in Penetanguishene and Barrie, wins a \$50 Cineplex gift card! Congratulations to our two winners and many thanks to all of those who took the time to participate in our webinars!

Congratulations go to **Linda Hamelin** from the *Carrefour de formation pour adultes inc.* in Alexandria for winning a \$40 Tim Hortons gift card for participating in the evaluation of our new *Mon Journal* format. Much gratitude to all who took the time to send us their comments!

### Planning and Consultation

Centre FORA is currently preparing its 2019-2021 Strategic Plan and to do so, the Executive Director has been visiting a few training centres and partners to discuss priorities, expectations and needs in the field. Many thanks to staff at the *Centre Moi, j'apprends*, the *Centre de formation du Nipissing*, the *Centre de formation et de perfectionnement du grand Sudbury* and the *Coalition ontarienne de formation des adultes* for their warm welcome and excellent suggestions.

The Executive Director has also prepared the 2017-2018 Annual Report. It certainly was quite a transition year for the Centre FORA team. Even though it managed a move and the arrival of a new Executive Director, all files were completed and deliverables, delivered! The report (published in French) is available here:
